FINANCIAL POLICY: It is the policy of Schuster Physical Therapy (SPT) that payment is due in-full at the time that services are rendered. This includes copayments, deductibles, coinsurance or self-pay fees. Please read the insurance benefits booklet that your insurance provided you to fully understand all waiting periods, frequency limitations, copays, deductibles and other exceptions/ exclusions for your individual plan.

COMMERCIAL INSURANCE PATIENTS: Please understand that any information we relay on behalf of your insurance is simply a courtesy to you and is not a guarantee of payment. Occasionally information provided to SPT may be limited or inaccurate. It may take several months for your insurance company to process your claim. If no payment has been made by your insurance company within 6 months of the date of service, you will be responsible for the balance. Occasionally, insurance companies will remit payment to the member rather than the provider's office. In this event, you will be responsible for the amount due to Schuster Physical Therapy. **Should your insurance plan or your insurance carrier change, please inform us immediately.**

MEDICARE: Medicare has an informal "cap" of \$2230 per year for outpatient physical therapy and speech therapy but will readily make exceptions for care if it is deemed medically necessary. **Please inform SPT if you have any secondary insurance coverage.**

WORKERS COMPENSATION (WC): Please inform our office immediately if your care is related to a Worker's Compensation case. We will bill your worker's compensation carrier for treatment charges. If we do not have a worker's compensation claim ID or case manager contact information and your claim is denied, you will be responsible for all expenses related to your treatment.

MOTOR VEHICLE ACCIDENT (MVA): Please inform our office immediately if your care is related to a recent motor vehicle accident. We are currently **NOT** accepting MVA clients; however, we are happy to extend our self-pay rates if your injury is the result of an MVA. If you fail to inform SPT that your need for treatment is related to a motor vehicle accident and your insurance claims are denied, **you will be fully responsible for the cost of your care.**

SELF-PAY/ NON-INSURED: Self-Pay Physical Therapy examinations are \$125 and Follow-Up Physical Therapy Treatment visits cost \$85.

Our Billing Process

- Insurance claims are sent on behalf of Schuster Physical Therapy, through our electronic billing partner, "The Medical Billing Center."
- After your insurance company has processed our claim and SPT has secured applicable payment and/or received an Explanation of Benefits (EOB), The Medical Billing Center will send you a statement for any potential outstanding balance. Please understand that it may take several months for your insurance company to process claims and return final EOBs.
- Balances over 60 days past due will be subject to a 5% monthly finance charge.
- Returned checks will be charged a \$40 fee.
- Unpaid balances that are 90 days past due will be sent to collections. We will be very pleased to make arrangements with you to avoid utilizing a collections agency.
