

Purpose - To Enhance Lives

To return people to health so that they may enjoy life more fully. To develop a work environment that is fulfilling to our employees and provides longevity, growth, and reward.

Are you interested in living in a gorgeous mountain community? Schuster Physical Therapy (SPT) is looking for a **PHYSICAL THERAPIST ASSISTANT (Full-time | Part-time | PRN)** to join our team. SPT is a growing, physical therapist-owned private practice in Ashe County, North Carolina. We are in the heart of the Blue Ridge Mountains in a lovely community with an artsy and bustling downtown, close to the Blue Ridge Parkway and the New River - outdoor adventures abound!

- **Not enough time with your patients?** We provide One-on-One patient treatments with no double booking.
- **Tired of taking work home?** We offer paid documentation time to stay current with notes and communicate with doctors and patients. Life-work balance is a priority.
- **Craving mentoring and/ or development?** We provide a coordinated mentoring program and are fully invested in the professional and personal development of our physical therapists.

SPT provides services for a diverse patient population. We encourage our therapists to pursue their own areas of interest to meet the needs of our community. We are excited to have created an environment where our values and compassion are visible in our appreciation and respect for our employees and in the love we show our patients.
